

Get Connected. Stay Connected.

Technology is redefining how you teach and how your students learn.

We know that in order for technology to be effective, it must support your every goal. McGraw-Hill Education's **Digital Success Programs** and our commitment to reliability ensure that you and your students can leverage the full power of our digital learning solutions—anytime, anywhere and with complete confidence.

Student Pass Rate

connect Pass Rate 77.3%

Without CONNECT Pass Rate 64.4%

THE NEW STANDARD FOR RELIABILITY

Your success is our top priority. Increased investments in server capacity, rigorous pursuit of full web accessibility compliance, the latest technologies within a development environment that brings innovation to the market quickly, and the highest standards for uptime reflect how strongly we honor our commitment to you and your students.

BEST-IN-CLASS SUPPORT

Based on feedback from our users, McGraw-Hill Education has developed **Digital Success Programs** that will provide you and your students the help you need, at the moment you need it.

- **One-on-One Training:** Get ready to drive classroom results with our Digital Success Team—ready to provide in person, remote, or on demand training as needed
- **Peer Support and Training:** No one understands your needs like your peers. Get easy access to knowledgeable digital users by joining our Connect Community, or speak directly with one of our digital faculty consultants.
- **Online Training Tools:** Get immediate anytime, anywhere access to modular tutorials on key features through our Connect Success Academy.
- **Customer Experience and User Support:** Receive industry leading support from The McGraw-Hill Education Customer Experience team at the moment you need it by phone, email or live chat. Visit <http://mhhe.com/support>.
